### Practice Focus

A selection of matters which Jamorn has been involved include:

- Representing and advised an American financial services company in a business rehabilitation case by providing legal guidance, preparing and submitting the debt repayment application, attending the creditors' meeting, and attending court hearings.
- Representing a leading global bio-chemical company in a wrongful act dispute related to a high-value construction project.
- Representing a financial technology operation in a THB 90 million contractual dispute involving a breach of a service agreement, resulting in a successful in-court settlement.

- Representing a Thai cryptocurrency exchange in legal proceedings to reclaim digital tokens and digital assets on a blockchain network.
- Representing a Hong Kong real estate company and successfully negotiated resolution to a THB 100 million dispute over damage caused by a construction delay, finally securing full payment to our client from the defendant.
- Representing a Thai luxury land developer in civil court, successfully arranging settlement of a deposit and retention claim dispute.
- Successfully negotiated settlement of a dispute valued at over THB 130 million (approx. USD 3.98 million) for a leading Thai real estate company regarding damage caused during a renovation of a unit.
- Successfully defended a well-known Japanese automobile manufacturer against various labor claims brought by their employees.
- Representing an international optics company in claims against a former employee who was involved in a complex fraud scheme worth approximately USD 200 million.
- Drafting a petition to the Thai Customs Department against a criminal case related to the importation of catering items, and successfully handled negotiations resulting in the client avoiding imprisonment and only being required to pay a nominal fee.
- Prosecuting and defending various complex civil and criminal actions related to breach of contract, wrongful acts, undue enrichment, fraud, and attempted fraud.
